A Message from Miss Smithson

It has been another busy two weeks in school with so much learning happening across the curriculum. I hope you enjoy looking through the photos in this newsletter.

As part of our environment improvement, we are planning to develop a reflection garden and any help from the community would be greatly appreciated. If you know of any business that would be able to support with outdoor flooring, fencing or planting then please do get in touch.

From September, Mrs Mooney has secured an exciting opportunity at another primary school. I am sure you will all join me in thanking Mrs Mooney for her dedication to our school and wish her the best for her new challenge.

Oak

Mr Guest will be teaching Oak class full time from September. We are delighted he is joining our team.

A warm welcome to our new members of Team FoG!

Ash

Mrs Rimmer will be teaching Ash class full time from September. Mrs Rimmer is an experienced teacher and we are really looking forward to her joining our team.

Conkers & Acorns

Miss Harrison will be teaching Early Years full time from September. She is a huge asset to our team and will bring years of teaching experience with her.

Bill's thought for the week

I hope you all had a blessed and restorative half term. We're into the final term, and in our Collective Worship we will be looking at periods of change and how we can embrace them and enjoy the positives that come from them. At FoG, some of our young folk will be preparing for a change of school, while others prepare to move up a year. Many of our staff will be embarking on new challenges; either starting with us, or exploring pastures new. Perhaps over these next six weeks, as summer approaches you may like to identify the upcoming changes in your own life and explore what support network you have around you to navigate them smoothly and embrace the blessings, however obscure, that they may bring.

Oak class had a fantastic time at Lightwater Valley. The children had so much fun on all the rides and enjoyed time together in the sunshine. They were excellent role models for our school.

Thank you to everyone who joined us for our Jubilee tea party. You raised a fantastic £266.44! Our school fundraising contributes a great deal to our school environment and we would like to thank you for all your support. You are making such a positive difference to our school.

Ash class are enjoying learning about invertebrates. They looked at their different features to group them and used some super scientific vocabulary!

Do you know what a myriapod is? Ask a member of Ash class.

Elm have been exploring pastel techniques to then apply their skills to create portraits of The Queen.

"I was so proud to see my art skills improve the more I practiced"

Courageous advocates

Conkers and Acorns have been learning about plastic pollution. We read a story that focused on plastic bags being a danger to ocean wildlife. To raise awareness against this injustice, we created a piece of art work to educate people about this global issue.

Summer Fair
 THURSDAY 14TH JULY
 3.30pm - 4.30pm

Refreshments, stalls and games
 - Organised by Friends of FoG -

WE LOOK FORWARD TO SEEING YOU!
