Rooted and Grounded in Love

A message from Mrs Holmes

I apologise for the delay in sending this newsletter. Our IT issues continue to cause a few problems.

It has been a wonderful start to the Spring term with so much more to look forward to. We have been learning about how we keep ourselves safe, including workshops from the NSPCC, learning about different allergies and how we are kept safe in school.

I am delighted to welcome Miss Hughes and Miss Dobbs to Team FoG. Miss Hughes is our new teaching assistant in Key Stage 2 and Miss Dobbs is a student teacher working closely with Mrs Rimmer in Hedgehogs.

Reading is a huge part of everyday life at school. We have enjoyed celebrating National Storytelling week. From teacher swap, paired reading, Parents reading to us and the whole school reading together, it has been a great week!

The NSPCC have delivered Speak Out. Stay Safe. assemblies and workshops for us. We learnt about how to keep safe and what to do if something was worrying us.

We all love our visits from Open the Book for Worship.

'Worship makes me think about following God and how to be kind to my friends.'

'Worship makes me feel closer to God'

Squirrels brought their learning to life at the National Science and Media Museum.

Important Dates for your diary
