Rooted and Grounded in Love

A message from Mrs Holmes

I would like to take this opportunity to update you on staffing. After Easter, Mrs Sutton and Mrs Heaton will be returning after maternity leave. Mrs Sutton will be teaching in Owls two days a week and Mrs Heaton will be teaching Squirrels full time. We are looking forward to welcoming them back to Team FoG!

Congratulations to our Year 5/6 Dodgeball Team who have qualified for the York League dodgeball finals.

Have a lovely weekend.

An inspirational Careers week!

This half term our PSHE puzzle is 'Healthy me'. The children are learning about healthy choices and how to look after themselves.

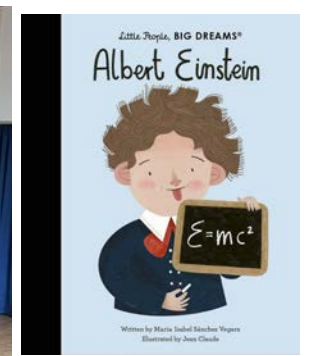

Conkers and Acorns sorted healthy and and unhealthy foods. They learnt about making healthy food choices and sensible treat times.

Bill's thought for the week

This week we've begun to look forward to our Easter service, planning our prayers and songs. The Church Ambassadors have been helping prepare to share with us the Easter Story. As we continue our pilgrimage to Holy Week we take that step closer to the most important time of the year for Christians. Perhaps over the next couple of weeks you might like to reflect on what it is that is important in your life and what re-ordering of priorities you might need to explore. The glorious news that Jesus is alive helps many Christians to see more clearly how they are meant to live. I hope as we approach such a holy time, your own relationships with what really matters continue to grow.

Rooted and Grounded in Love (Ephesians 3:17)

British Science Week!

Author of the Month!

Each month we will have a new author to focus on.

We will learn about them, their style of writing and the books they have written.

We will then have a range of books to choose from.

Our March author of the month is Roald Dahl.
