A message from Mrs Holmes

It has been a brilliant start to the summer term. As always, I have been so impressed with the children's attitude towards their learning and their excellent behaviour in class.

We are looking forward to our King's Coronation Tea Party on Wednesday 3rd May, 3.30pm - 4.30pm. Thank you to Friends of FoG for organising this wonderful event.

Acorns and Conkers love their weekly dance lesson learning a new dance routine.

Conkers are exploring Andy Warhol and have enjoyed discussing his artwork. They particularly loved the bright colours of his pop art and enjoyed recreating one of his most famous pieces on their own portraits using fluorescents.

Bill's thought for the week

I hope you all had a blessed and restorative Easter holiday. We're now in a new term and are looking forward to the Christian feasts of Ascension and Pentecost. These mark the ascending of Jesus to heaven and the coming of the Holy Spirit among the people. Our collective worship theme this term is CREATIVITY and we are looking together at the glorious creative nature of a loving God as well as the variety of creative gifts we have been blessed with. Perhaps this fortnight you might want to reflect on when you feel most creative and how you express that creativity. It may be that you don't get to do this as much as you'd like. I invite you to try and engage with that creative impulse in these next two weeks. It may be you create something beautiful, discover a healthier rhythm or feel closer to God - whatever impact it has on your life it's a good opportunity to re-engage with our own distinct creative impulses, something that not only benefits us but the community as a whole.

Rooted and Grounded in Love (Ephesians 3:17)

Hedgehogs had a fantastic day at Askham Bryan Wildlife Park. The children saw lots of different animals and plants and learnt so much about them.

Important Dates for your diary
