A message from Mrs Holmes

What a fantastic first half term of the year! It has been a busy one, including sporting events, our book fair, an open top bus tour, the space dome, Grandparents coffee morning and so much more! We are really passionate about the personal development offer we provide for our children.

The Roald Dahl homework this half term has been incredible, it is fantastic to see so many children getting involved in this. This photo is an example of the brilliant efforts we have seen.

On behalf of all the staff at FoG, I would like to thank you all for your support and kindness this half term. Your positive comments and thanks are very much appreciated by everyone.

Have a wonderful half term.

Courageous Choir!

Our Choir did a fantastic job of singing out the school from worship. Music and singing is an important part of our curriculum and we are looking forward to bringing joy to St Catherine's Care home with our planned visits next half term. If your child is interested in joining choir, please contact Mrs Rimmer.

Fantastic Football!

A huge congratulations to our Year 5/6 football team who played in our cluster tournament. We were 1 of 9 teams and showed excellent teamwork and sportsmanship across the event. The team won the tournament and has qualified for the regional finals in December.
