

Spring Homework 2024: The History of York

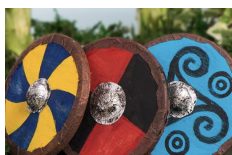

Choose at least one option from these homework activities and hand it in to Mrs Holmes, by **Monday 18th March**, for us to celebrate in school.

Can you complete this trail and bring it into school? Try to have your photograph taken along the way and tag #FOGHistory on Twitter. You can download it <https://little-vikings.co.uk/i-spy-walking-trail-york/> or collect one from the Visit York Information Centre on Parliament Street.

Vikings

Can you make a Viking shield for Ivor the Boneless?

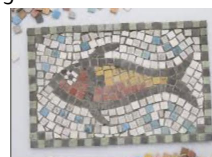

Can you create a longboat?

Romans

When did the Romans conquer York? Where is the longest stretch of surviving Roman Fortress wall in the City?

Mosaic work was the Roman's main form of artistic expression. Pictures of people, animals, birds and fish were common themes in Roman houses. Can you create a mosaic?

Can you read plaques and street signs around York to find out interesting facts? Please tweet your photos #FOGReading #FOGHistory or email hello@fog.hslt.academy

Produce a piece of artwork based on Clifford's Tower. Can you find out any interesting facts about this historic building?

Visit York during February half term to experience the Jorvik Viking Festival

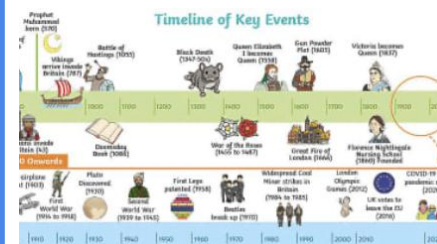

<https://jorvikvikingfestival.co.uk/w-hats-on/>

In 1839, the first train left York. Can you visit the Railway Museum and have your photograph taken?

Can you make a model of a train?

Can you create a timeline of the history of trains?

Can you create a timeline to show key events in the history of York? What are the different names that York has had in the past? Could you make a fact file about the history of York?
