**Newsletter - Monday 11th March 2024**

## A message from Mrs Holmes

I am delighted to inform you that Mr Simon Rigg is the new Chair of Governors of our school.

*Thank you for the warm welcome into the role of Chair of the Local Governing Committee. I am looking forward to continuing to work alongside other governors, staff, parents, children and the wider community as part of the Trust to make Forest of Galtres a great place for all.*

I would like to thank everyone who supported our Tesco Community grant and voted for us with blue tokens in local stores. We are thrilled to let you know that we won and will receive a grant of £1500 to further develop our Forest Schools! This week, the children helped with the development of our outdoor classroom laying bark.

Eco-Council is encouraging our families to take part in the Big Plastic Count and information will be sent home today if you would like to take part!

## Litter Picking - Eco Council making a difference in their local community

## Artists in Acorns

We have seen our school value of creativity in Acorns this week. The children selected resources to create both 3D transient art and 2D pictures. We then identified if the art was abstract or figurative.

## Important dates for your diary

|                                 |   |   |
