### A message from Mrs Holmes

Year 5 loved taking part in the Brownlee Triathlon this week. They battled through the rain to swim, cycle and run and I think the smiles in this photo say it all!

I hope that you find the important dates letters useful to plan each half term. The final one for this academic year will be sent the first week back after half term.

Thank you for your continued support of our school, it is appreciated by everyone.

As a school, learning about and understanding diversity is threaded throughout our curriculum. This week, we celebrated world day for cultural diversity, looking at race, ethnic groups and how we show respect and welcome to everyone.

**Conkers and Acorns loved their latest local area walk looking at aerial maps, developing a sense of belonging in their community and enjoying playing with their friends at the park!**
