## Newsletter - Friday 28th June 2024

### A message from Mrs Holmes

The summer term continues to be a brilliant one with enriching experiences, school trips and lots of fun!

We continue to strive for all of our pupils to represent the school each year. Recently, we have had pupils leading worship at the York Diocese Conference and taking part in the York Civic speaking competition. The children were exceptional in representing the school and we are very proud of them.

Thank you for your continued support of our school and events. We believe we have a very special school and community.

School council organised for us to take part in the 'our generation, our vote' project. We learnt about the general election and what each party stands for. We then cast our own vote and will watch the results live on Sky Kids TV.

## Summer Fair

Everyone is welcome to our summer fair on Wednesday 10th July. Friday 5th July is a non-uniform day for bottle themed tombola prizes.

One of the many things that makes our school special is the cross phase relationships and how children of all ages interact with each other. This week, some of our oldest children visited Conkers to bake cookies together.
